Please attach/draw a map to identify (1) tract location, and (2) point(s) of ingress & egress from public road(s). Include identified points of reference, such as streams, public roads, right of ways, landmarks, map/parcel number, distances, etc., to ensure county acknowledgement and understanding of location.

No person, firm or corporation shall engage in timber operations in Jefferson County without first completing a Timber Harvesting Notification Form and furnishing the Code Enforcement Office a Surety Bond. Bonds will be maintained at the Jefferson County Building/Code enforcement Office. The Timber Operator shall give notification to the ROAD DEPARTMENT upon Completion of Operations. The Road Department shall inspect the site to assure that the area has been restored to its original condition including the shaping of ditches, grading, or seedling as required.
