**MEMORANDUM**

TO:

FROM: The Central Savannah River Area Regional Commission on behalf of Jefferson County

SUBJECT: Extension to October 25, 2021 for Architectural Qualifications for Public Facilities  
(Rural Health Care Facility)

DATE: October 4, 2021

Jefferson County has extended the date for receipt of Request for Qualifications for qualified architectural firms interested in working with Jefferson County in its efforts to apply for a Community Development Block Grant Coronavirus (CDBG-CV) application to undertake design and construction management of a building improvement project for a Rural Health Care Facility.

To be considered, 3 copies of the Request for Qualifications proposals must be received by 4:30 pm, October 25, 2021, at the CSRA Regional Commission, Attn: Anne S. Floyd, 3626 Walton Way Extension, Suite 300 Augusta, Georgia 30909. All proposals must be sealed and should be clearly labeled, Jefferson County RFQ. Proposals received after the specified date and time will not be considered.

The selected architectural firm will be expected to work with Jefferson County to complete preliminary architectural work associated with Community Development Block Grant Coronavirus (CDBG-CV) Rural Health Care Facility improvements. Funding for the project will be contingent on the award of grant funding.
